## ABOUT ME

25 years old, professional photographer, but first and foremost a passionate person.

Entirely self-taught in the field of images, I've discovered and learned how to transmit and communicate emotions through my work.

Co-founder of a creative studio, I allow myself and have fun experimenting with different situations and mediums. Limits are only temporary and are there to be pushed.

## MESSAGE

Far from being an exhaustive portfolio of my work, the only purpose of this document is to show an overview of my work. The aim is not to sell or promote my work, but rather to communicate my eye, my vision and my ambitions. The aim is not to sell myself or my work, but rather to communicate my eye, my vision and my ambitions.

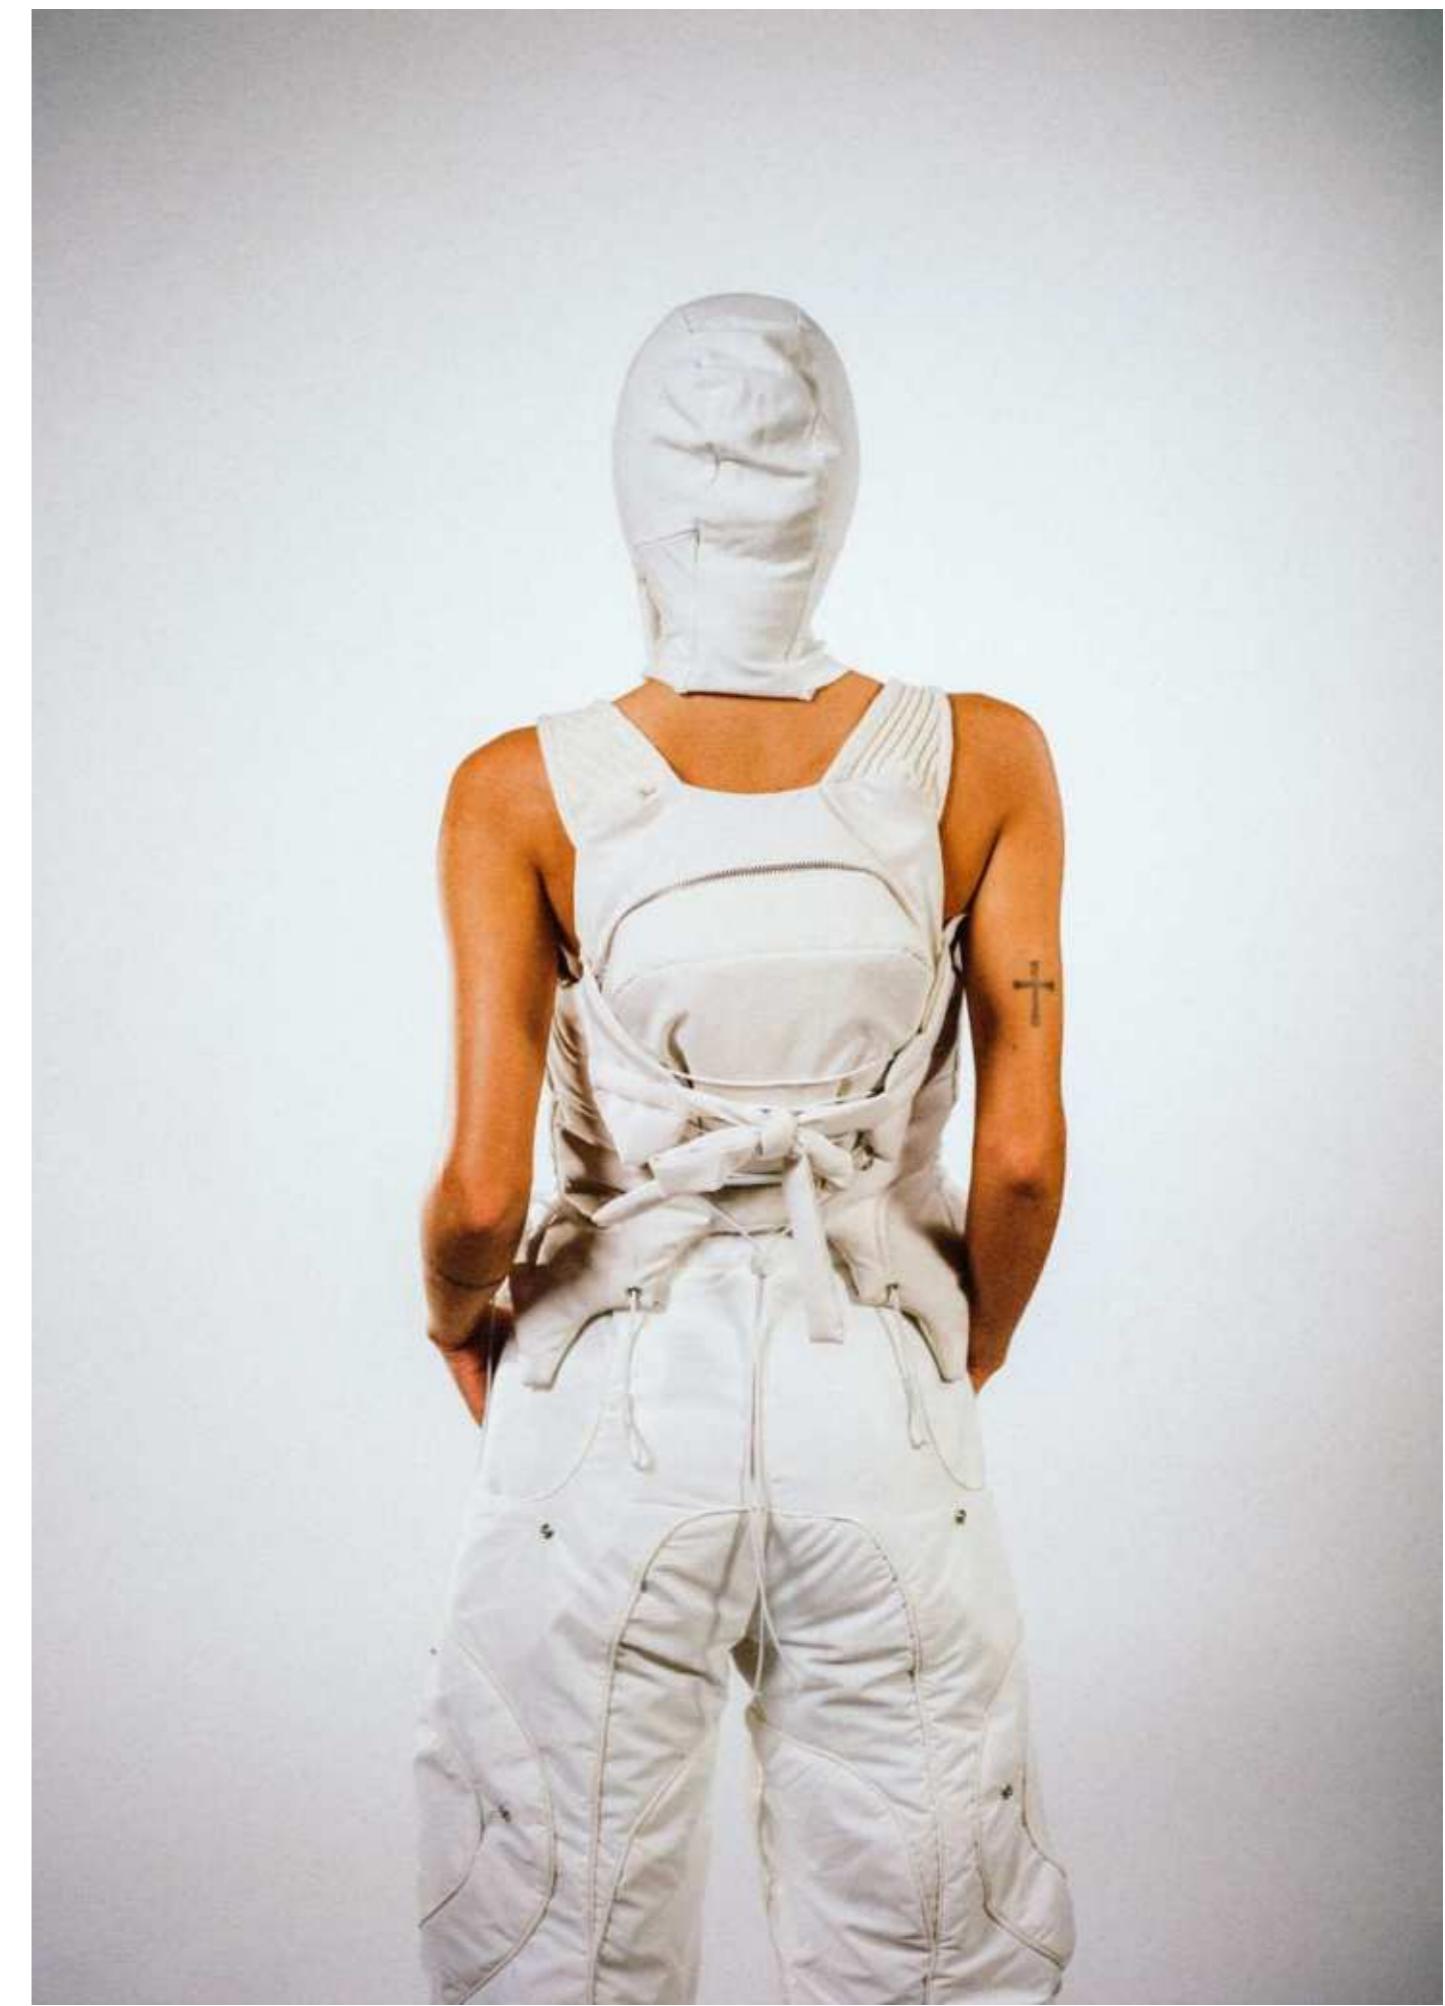

If you're browsing through this catalog and are intrigued, inspired or wondering, please contact me. Before I land a contract, it will be my greatest victory to have caught your attention.
